<p>Driver and Navigator both understand that they have a limited cover for insurance of which they have had opportunity to view the Product Disclosure Statement. This is made available through the CCDA via their Insurer.</p> <p>They both agree and accept that motorsport is dangerous, and that they are responsible for ensuring the safety of themselves and their vehicle throughout the race. If the vehicle or crew at any point become unsafe it is their responsibility to take appropriate actions and retire from the race until repairs can be made.</p> <p>They both acknowledge and agree to Supplementary Regulations provided by the event organizer.</p> <p>They both understand that the terrain being traversed is unpredictable and varied. Due to this many obstacles are unmarked, it is important that drivers drive to the conditions and visibility available.</p>	Driver sign	Navigator sign
